

Prospecting Benefit Statements

By Passing the Sales filter is critical to your success in Prospecting and minimizing rejection. Our Goal is to get people to 1st base and seriously look at the business and or the product. Please review Global Ambassador Prospect like a Pro and enroll 50 + people (located under business mastery /webinar/Prospecting) & contacting and Inviting training under 1st 90 days on www.SteamTeam.ca

1 - Moms - HI _____ I am involved in a very unique and proven successful 18 year old Global Business Model where many mom's just like you make more money working part time from home while taking care of their children than their husbands do working full time in their career. Feel free to ask me for more information....

2. - Business people - Hi _____ I am involved in a very unique and Proven Global Business Model in 2016 & 17 they ranked #1 in Fortune Magazine Fastest Growing Publicly traded companies. Business people like you have doubled and or tripled their income in a year or 2 without changing their lifestyle and at the same time lowered their taxes. Feel free to ask me for more information

3. - Occupations - plumber, electrician , office worker, engineer you just slot in their occupation when using the benefit statement...

4. - Salons - Hi _____ I have seen many Salons like yours double and tripled their store traffic and increase their business by 20% by offering our 30 minute non- surgical facelift. Feel free to ask me for more information...

Product Benefit Statements

1 - Hi _____ I have seen many people with your type of health condition have great results, without breaking their bank account, feel free to ask me for more information
