

# How to Lead a Team

Speaker: **MaLi**

July 18, 2020

**Global Ambassador MaLi** delivers an impactful business training that teaches you how to lead and empower a team.

## Key Takeaways

- 1** Define what you're striving for and establish personal goals – short-term, medium-term, and long-term. *List your goals below:*

### SHORT-TERM

### MEDIUM-TERM

### LONG-TERM

- |         |         |         |
|---------|---------|---------|
| • _____ | • _____ | • _____ |
| • _____ | • _____ | • _____ |
| • _____ | • _____ | • _____ |

Examples: “attend XYZ number of events per month,” “talk to XYZ number of new people every week,” “set XYZ number of meetings per month,” “dedicate XYZ minutes per day to my personal development,” etc.

- 2** **Humble yourself!** Forget preconceived notions and open your mind to be able to absorb new business knowledge, product knowledge, and system training.

- 3** **The importance of replication** – a central factor to help you achieve maximum results.

**MaLi**

Originally from China, MaLi has been running her NHT Global business for over 18 years. Within a few years of joining the opportunity, she was able to create a powerful training system and build a successful global business. Today, she is an inspiration and a powerful mentor to her team members around the world. She resides in Vancouver, Canada with her family.
